Product Name :

Product Code:LABENGINEERING-INDIA-CAT280018

Description:

Muffle Furnace

Technical Specification:

Used for determining the loss on ignition of cement and building lime.

Technical Specifications:

Power: 4200 W

Max. temperature: 1200°C

Inside dimensions (lxwxh): 210x280x145 mm Overall dimensions: 510x650x650 mm
