

Product Name :
Pillar Drilling Machine**Product Code :**
LABENGINEERING-INDIA-CAT130010**Description :**

Pillar Drilling Machine

Technical Specification :

Provides consistent boring.
Durable and reliable tool.
Accuracy in making hole.
Can drill maximum of 25 mm.
Creates less noise and less vibration.
No compromise made in quality of machine components.
Used for boring to create holes in different work materials.
Economic in pricing when compared to other boring instruments.
Requires less or low maintenance but provides excellent machining performance.

Pillar Drilling Machine from India for Engineering Lab
