

Product Name :
Block Making Machine Hydraulic

Product Code :
LABENGINEERING-INDIA-CAT130017

Description :

Block Making Machine Hydraulic

Technical Specification :

High compressive strength
Non-corrosive body
Longer functional life
Low power consumption
Excellent finish
Semi-Automatic, Manual & Automatic

Operation Type: Automatic
Capacity (Blocks per hour): 800-1000
Power: 5 HP
Capacity: 1500 Blocks/Hour
Automation Grade: Automatic
Method: Hydraulic Pressure
Block Type: Interlock & Paver

Block Making Machine Hydraulic from India for Engineering Lab

Block Making Machine Hydraulic, Workshop, Engineering Lab, Engineering Lab Equipment, Mechanical Engineering, Lab Equipment, Workshop Tools, Workshop Machines, Tools, Machines

Engineering Lab Equipment India
