

Product Name :
Block Making Machine Hand Operated

Product Code :
LABENGINEERING-INDIA-CAT130018

Description :

Block Making Machine Hand Operated

Technical Specification :

Features:
High performance
Efficient
Ease of use

Bottom Vibrator: 1.5 HP Single / Three Phase Motor
Vibration: 6000 hz Amplitude Adjustable
Pavers Block: 4 Block Stroke 800 -1000 block Shift
Moldings Area: 375 X 600 mm

Block Making Machine Hand Operated from India for Engineering Lab

Block Making Machine Hand Operated, Workshop, Engineering Lab, Engineering Lab Equipment, Mechanical Engineering, Lab Equipment, Workshop Tools, Workshop Machines, Tools, Machines

Engineering Lab Equipment India
