Product Name:
Wood Working Basic Router

**Product Code:**LABENGINEERING-INDIA-CAT13002

## **Description:**

Wood Working Basic Router

## **Technical Specification:**

1-3/4 horsepower, 11-amp motor provides the power to rout smoothly through the toughest hardwoods. Micro-fine depth adjustment ring provides precise depth adjustments in 1/64-inch increments. Adjustable, tool-free steel motor cam lock makes depth adjustment and base changes quick and solid-locking. Quick release motor latches for fast and easy motor pack removal for bit and base changes. Also adjusts vertically for a constant switch/cordset location.
