

Product Name :
MIG Welding Machine

Product Code :
LABENGINEERING-INDIA-CAT130031

Description :

MIG Welding Machine

Technical Specification :

STEP type voltage control.
Rugged and robust design.
No breakdown.
Minimum maintenance.
Low running cost.
Sturdy and proven construction.
Burn back facility.
100% copper winding.
Ideal for construction/ site work.

MIG Welding Machine from India for Engineering Lab

MIG Welding Machine, Workshop, Engineering Lab, Engineering Lab Equipment, Mechanical Engineering, Lab Equipment, Workshop Tools, Workshop Machines, Tools, Machines
