

Product Name :
Jointer Planer

Product Code :
CHINAELABC0040020

Description :

Jointer Planer

Technical Specification :

Jointer

Working width: 410 mm

Total table length: 2000 mm

Tilting surface fence: 90° - 45°

Cutter block diam: 87 mm

Number of knives: 3

Cutter block speed: 5200 rpm

Type: 350mm

Planer

Table dimensions: 775x423 mm

Thickness speed: 6/12 m/min

Min/max. thickness working height: 3/230 mm

Min. thickness working length: 160 mm

Max stock removal to cutter block: 5 mm

Other technical specifications

Motor power: Three-phase motor: 3,6kw 50Hz

Net weight basic machine: 430

Max. dimension: 2000x1630 mm
