

Product Name :
Solar and Wind Trainer

Product Code :
POL-REN0001

Description :

Solar and Wind Trainer

Technical Specification :

Renewable Energy Trainer Solar Teaching Model Photoelectric Trainer Clean Energy Training Equipment Wind And Solar Trainer Green Energy Trainer Overview

This trainer is designed to study construction and principle of a solar Cell.

Users can learn how to connect a cell. (Series, Parallel and Series & Parallel)

This trainer is useful for study a solar generation system from basic to application.

Renewable Energy Trainer Solar Teaching Model Photoelectric Trainer Clean Energy Training Equipment Wind And Solar Trainer Green Energy Trainer Features

Trainer Technical parameter
