Product Name :
Air Content Meters

Product Code :
LABENGINEERING-INDIA-CAT280005

Description :

Air Content Meters

Technical Specification :

This air pump and the push buttons Test and Correction are arranged in a simple-to-use configuration on the front plate.
The pressure gauge is installed recessed in the head of the meter.
The scale has an indication range of 0-50 volumetric %.
The test pot and the upper part are sealed air-tight together by means of two quick-action spring clamps.
The air is compressed by means of a built-in hand pump.
The two models are practically identical except for the capacity.
This model, 1 liter capacity, is conforming to the EN 459-2 whilst, 0.75 liter capacity is conforming to EN 413-2 standards.
Both models can be supplied, on request, in the electric operated version.
