

**Product Name :**  
Universal Moisture Tester

**Product Code :**  
LABENGINEERING-INDIA-CAT290026

**Description :**

Universal Moisture Tester

**Technical Specification :**

Material: Mild Steel  
Display Type: Digital  
Type: Digital Grain Moisture Meter  
Measuring Range: 0 to 70%  
Temperature Range: -10 to 60 Degree Celsius  
Usage/Application: Laboratory
